The Hunger Games novel has received many praise from many well-known writers and critics. The Hunger Games were praised for its storyline and character development, although some reviewers criticised the similarities between Collins' novel and Koushun Takami's novel Battle Royale (1999). While writing the Hunger Games, Collins was inspired by the thematic content of Greek mythology, Roman gladiators and contemporary reality television shows. The novel received numerous awards, including the California Young Reader's Medal, and in 2008 was named Publishers Weekly Book of the Year. And the novel Hunger Games Novel PDF Indonesia has been released as a film. The Hunger Games are in 2012. An American science fiction film directed by Gary Ross, based on the novel of the same name Suzanne Collins. The film was produced by Nina Jacobson and Jon Kilik, with screenplays written by Ross, Collins, and Billy Ray. The film stars Jennifer Lawrence, Josh Hutcherson, Liam Hemsworth, Woody Harrelson, Elizabeth Banks and Donald Sutherland. The Hunger Games is a 2008 science fiction novel by American writer Suzanne Collins. The novel is narrated from the perspective of a 16-year-old girl named Katniss Everdeen, who lives in a post-apocalypse dystopian country called Panem in North America. The Capitol, the capital of a highly developed metropolis, is under the political control of the whole country. The Hunger Games are an annual event involving a boy and a girl aged between 12 and 18 from twelve districts around the Capitol, which the draw chose to compete in a deadly fight that is broadcast live on television.
